### AzMerit is APPROACHING at Model Creek School

AzMerit Testing is April 3 - 6. The teachers and staff are required to teach the Arizona Standards and those standards are evaluated on the AzMerit. Our curriculum materials are directly linked to the standards and aid in exposure to the required materials. Often, your child may be challenged and frustrated, but we must stay on task toward standard mastery. Please help us by encouraging your child to read every night, practice materials from class, be ready to work hard every day, and not disrupt the learning of others. Be on time! Attendance is very important! Get plenty of rest!

**Supplies:** Please check out the supply link at [modelcreekschool.org](http://modelcreekschool.org).

Copy paper      Gallon and Quart size bags      AA batteries

**Thank you to Paula and Richard Mayer for the donation of a small refrigerator!**

### Tax Credit

YESD staff and students would like to thank everyone who contributed to our tax credit program. These contributions allow students to experience a variety of activities.

### February Terrific Kids by Tyson Oliver

Model Creek School is proud to partner with Kiwanis on a new program called Terrific Kids!

In January we had fourteen winners who received a prize, a button and a certificate: Abigail, Angel, Koral, Amy, Xander, Anders, Sophia, Kylee, Lynaea, Meeya, Karli, Roman, Nadia, Joel, and Keagan. Terrific is an acronym for Thoughtful, Enthusiastic, Respectful, Responsible, Inclusive, Friendly, Inquisitive and Capable! All of our winners showed their amazing character and received a gold star in each of these traits. Thank you for being such awesome kids!

## Model Creek Science Expo, Mr. T.

This year's Model Creek Science Expo was a great success. Many family members came to enjoy hamburgers with all the trimmings and the presentation of science projects created by our budding scientists. Rosemary Agnessens, also gave a presentation on our current state education funding issues.

Congrats -

First Place Team: "A-Team" experiment with a bouncing egg - Caeden (team leader) Phoebe, Josh, and Anders;

Second Place Team: "Food Power" experiment showing electricity of various fruits and vegetables – Roman, Keegan, Vyktoya, Koral, and Karli;

Third Place Team: Colored Flowers experiment—Meeya, Joel, Kylee, Lynaea, and Jacob
