We are just so excited about the weather report for the weekend of the Treasure Sale. Last year we had a rain out and had to reschedule. It is tough getting the momentum going for the sale when you have to reschedule but THIS year sunny and high in the 70's. Perfect shopping weather to support the fundraiser for the area outdoor, unowned cats. Last year we spayed, neutered and vaccinated over 30 cats before we ran out of money. One of the colonies produced 4 of the cutest little kittens that were caught early enough to socialize into companion pets and were adopted locally. Thanks to Jay, Judy, Zenda & John & Paulette & Jan & Mark in Wilhoit for stepping up to be caretakers of the colonies in their areas. The Treasure Sale is February 9th and 10th from 9 am to 3 pm at the Muleshoe Animal Clinic grounds at 19225 Highway 89, Peoples Valley. We will accept donations for this event Wed February 7th & Thur February 8th at the sale site and any time during the sale. Our goal is to raise enough money to last all year long. As soon as we are done cleaning up from the Treasure Sale, we will begin setting up for the Trivia Event. Mark your calendars, get your teams together & don your costumes for this years event. Saturday April 14th at the Yarnell Fire Department Fire House. Details to follow. We have been very fortunate to be able to help transition some really great dogs into new homes last month. Ellie, Buddy , Poppy, Maggie and Petey found super homes after having to leave the homes they had come to know. Balanced and well socialized dogs find homes quickly. We also get in dogs that were not socialized and not accustom to living as a companion. These dogs are great in every way but need a patient and compassionate family to help them be unafraid. We have two dogs like that now Amy and Jesse. Neither of these dogs are aggressive in any way. They love other dogs. They need special homes with people who can offer them direction and stability while they learn the ropes.
